

Hard Shell Bike Boxes for Distination Triathlons and Cycling Holidays

About BikeBoxHire.io

BikeBoxHire.io provides premium hard-shell bike box rentals for triathletes, road cyclists, and adventure riders across Scotland.

Our mission is simple

Make bike travel stress-free through reliable equipment, technology, and local partnerships.

is this a fit for your shop?

Before going further, a few honest questions worth asking yourselves:

- Do customers ever ask about bike prep or servicing before a trip abroad or a destination race?
- Do you have secure storage space for 2–3 compact boxes?
- Would passive commission income (no stock purchase, no risk) be useful alongside your existing services?

If the answer to these is yes, read on. if not, no hard feelings, and thanks for taking a look.

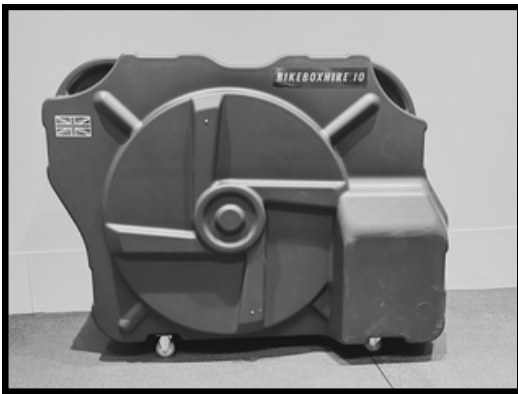

Why Partner with us?

- Extra revenue stream: earn 25% commission on every hire processed through your shop
- Added value for your customers: offer a complete travel solution: bike box hire plus optional packing service
- Zero upfront cost: we supply the boxes, booking system, and marketing support; you supply storage space and a few minutes per hire
- Local advantage: position your shop as a go-to hub for athletes travelling to events

How It Works

1. We deliver boxes to your shop. You store 2–3 units (compact footprint)
2. Customer books online. Our system handles payment, deposits, and scheduling
3. You handle collection & return: quick ID check and hand-off using our checklist
4. Optional packing service: upsell pro packing for £45–£60 per bike, which you keep in full
